

WORD DISCOVERY

5TH - 6TH GRADE

Did you know there are over 170,000 words in the English language?! So there are bound to be some that you don't know yet. As you are reading the finalists books in the 5th to 6th Grade category, write down the words that you don't recognize or know what they mean. You can even write down what you think they mean based on context clues. Then go look them up in the dictionary!

Write or draw them below. Then, find a friend to share your new word knowledge with!
