

HOW DO YOU DRAW?

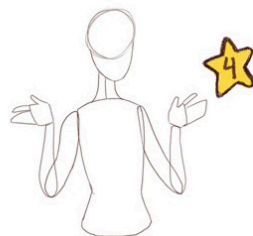

1 Draw a circle!
It can be messy!

2 Attach a "u" shape to your circle to make the rest of the head.

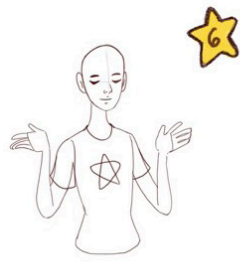

3 Draw a line for the neck and then the body shape.

4 Arms are just curvy tubes! Overlap them and then draw hand shapes.

5 Erase your overlapping lines.

6 Draw in the t shirt details.

7 Draw an oval around the head and a cone for her hat. Erase arm lines.

8 Draw cloud shaped hair chunks.

9 Erase your overlapping lines.

10 Draw flat 'M's or 'birds' to create flying books!

11 Draw more birds on top of the others!

12 Connect all points on the 'birds' with straight lines.

Add as many details as you like and you are done!
