

HOW DO YOU DRAW?

The basics:

Sketch out a fluffy football shape for Lupin's head.

Add a horse-shoe shape for the body.

Triangle ears.

Two oval eyes.

Three half circles to start his mouth.

Finish that smile. :D

Suit up!

Add arms, paws, and a tail.

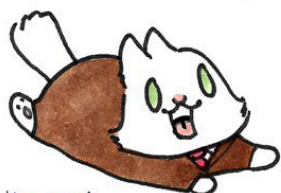

Ink those lines.

Add a little color!

Play around with some poses!

Lupin on the go!

Resting.

Snoozing.
