

# Where's Your Favorite Place To Read?

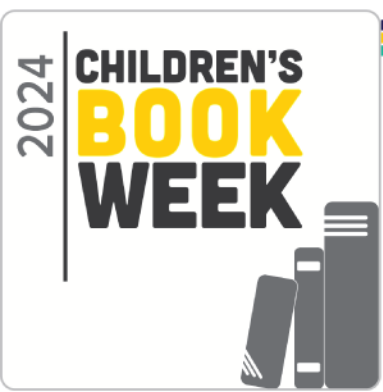

Kai is extremely curious and loves to venture into the unknown and discover new worlds.

Draw a picture(s) of you reading in the most curious place you can imagine or the most unusual place you've ever read! Or write about it!

Do you read:

- In the car?
- Under a tree?
- On a swing?
- In a fort?
- In a spaceship?
- In a castle?

Kai, from Joséphine Topolanski's *Kai's Ocean of Curiosities*, wants to know all the weird and wonderful places you read. On page one finish drawing Kai: draw her body and a scene of where you imagine Kai is reading! Use page two to draw or write about places you read.
