

JOIN CURIOSITY CLUB

books: get curious

HOW DO YOU JOIN?

Find something you're curious about and read!

That's right... all you need to do is pick something you want to know more about, look for books that can tell you more, and read!

Follow these steps to get started.

STEP 1

Think of things you are curious about.
Pick one to start.

STEP 2

Ask your librarian (or a friend, parent, guardian, etc) to help you find books on that topic.

STEP 3

Read and quench your curiosity!

Want to up your book club game? Try some of these:

- Check out what Grace Lin has to say about the imagery of her poster. Make the lion and cub the guardian of your book club, or draw your own (use the coloring pages).
- Invite others to join the club. Curiosity is contagious!
- Make your own curiosity book list to share with others.
- Challenge yourself to read three books featured on Grace's poster (take a look at the Bookspine Booklist)
